

## Transportation

Bus transportation will be provided from Warsaw to Piaski and back. Bus will be departing from Warsaw (Institute of Physics of the Warsaw University, Hoza street 69) on August 30 and September 6, and returning from Piaski on September 6 and 11. It will be marked with Conference posters. It takes approximately 4 hours to get to Piaski from Warsaw. The buses usually leave at 1 and 2 p.m. Therefore, please choose morning flights to Warsaw. For the departures, flights scheduled earlier than 1 p.m. should not be chosen.

In order to get from the airport to Warsaw (center) please take the bus line **175**. It takes half an hour to get to the center of the city (16 stops). The bus stop "Dworzec Centralny" is in the shadow of Marriott hotel, and on the left hand side is the Warszawa Centralna railway station. From the bus stop just go forward. At the first street (Emilii Plater street) turn right. At the third street (Hoza street) turn right. Some 50 m down, on the left hand side, you will see a gate to the Physics Department. This gate will be marked with school posters. More travel information can be found on the Masurian Lake conference webpage <http://zfvajs.fuw.edu.pl/mazurian/mazurian.html>.
